

# LANDSCAPE COMMITTEE

## **CHARTER:**

The Landscape Committee is a standing committee responsible for oversight of Resort landscape issues. The committee works in cooperation with the Manager and is responsible to the Board. The Committee may perform tasks as directed by the manager or Board specific to landscape issues.

## **DUTIES**

1. Coordinate activities with manager and if appropriate, the Board.
2. Work closely with Board liaison person to communicate to Board Landscape Committee plans, budget needs, activities and policy matters.
3. Prepare a budget when required and submit to manager and Board for approval.
  - Submit to manager projected plans for any proposed landscape improvements in a timely manner.
4. Develop a long-range plan for landscape activities within the Resort.
5. Develop annually a plan for flowers and landscape improvements, which may include ordering, if directed by the manager. All orders to be approved by manager.
6. Coordinate volunteer activities as they pertain to annual flowers and landscape plants with approval of manager.
7. Work with staff (at direction of manager) in regard to various landscape issues:
  - Appropriate water to established plants
  - Weed control and fertilizer.
  - Maintenance of various permanent Resort plants and trees.
8. Committee chair or designee to communicate committee plans to Board liaison, manager and Board.
9. Perform such other tasks as directed by the Manager or Board.

Approved at the GVRV Board of Directors' Meeting on November 16, 2010
