

Documents Committee Report  
Board of Directors meeting 3-16-10

This booklet contains the rules by which the residents of GV RV Resort strive to live by in order to be good neighbors. There are 5 sections, a total of 83 pages of rules for our residents to know and understand. We also have 27 changes, called Amendments to those rules. That is a lot of information and a lot of papers to keep track of. The documents committee has been busy preparing for a re-print of the documents in order to make this information easier to use. This next season, when you return to GV, we hope to have new booklets for you.

Today the BOD will discuss Amendment 12 to the By-Laws, adding even more for you to know about. This amendment has to do with the seating of officers after the annual election. In 2002 the By-Laws stated "newly selected directors shall take office at the first regular or special meeting of the Board of Directors following each election." In 2008 Amendment #8 changed that section to read "those current members who have completed their term of office or were not re-elected, will depart and the new directors will be seated." This caused quite a bit of confusion and disruption to the flow of the meeting. Today the same section will hopefully be changed to read, "The newly elected Directors shall take office at the next scheduled Board Meeting." Thus ending the confusion of seating new officers during the annual meeting.

I caution the current Board to think carefully about changes they propose to be sure they are actually changes that are appropriate and necessary. '

Thank you,  
Wanda Alsup, Chairperson
