Subj: Annual Status Report

The Election Committee consists of the following members: John Falk(804), Robert Shively(417), Richard Nelson(466), Arlene Sykes(806), Wanda Alsup(137), Rose Oberstadt(789).

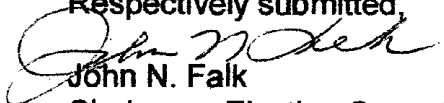

At the present time my committee is intact for the 2010/2011 Election.

The cost of our most recent Election was envelopes & labels \$131.72, postage \$159.31, Ink Stamp \$19.21, paper \$24.00 for an approximate Total of \$334.24. I estimate that our delivery of the ballots to the Members who are in residence saved approximately \$319.00 in postage.

We feel that we have simplified the Election Process as much as we can, but will continue to try to educate our members to minimize the ballots that are voided. This year we reduced the number of voids considerably, but one is too many for lack of documentation. I feel that having the Members sign the Log in the office when they turn in their ballots also helps to insure that the ballots are submitted correctly.

I want to take this opportunity to thank the Mgr Del and the office staff for the cooperation and assistance with documentation needed to conduct our job in a timely fashion.

Respectively submitted,

John N. Falk

Chairman, Election Committee
