

To: GV Board of Directors  
From: Nominating Committee  
Subject: 2009/10 final report

January 15, 2010

This years Nominating Committee members are Marlene Goulet, Lee Harber, Connie Teghtmeyer and myself. Our goal was to obtain at least four candidates for the election to fill two open positions on the Board. Activities included placement of posters throughout the park, notices in the newsletter and on GV7, numerous solicitations and informational conversations with potential candidates, facilitating the forum and final publication of resumes and pictures.

Only three candidates were obtained and they participated in the forum on January 12. Approximately 225 residents were in attendance. We were disappointed with that, as it was down about 100 from last year. Names and resumes of the candidates were given to John Falk for inclusion on the ballots.

Thanks to the Committee members, Adele Finnemann, Del McKinney, Jan Miller, Elaine Olson, Arvella Taratuta, Arnie Dickenson and John Falk for their assistance.

We plan to retain existing members on this committee for the 2010/11 election however, I am quite concerned about our ability to generate interest. Only one on our committee is a past Board member and at times, I find it awkward to ask someone to do a job I won't do. With that, we are requesting your assistance to strengthen our efforts by recruiting additional previous GV Board members to serve on this committee. That will greatly enhance our credibility. Thank you.

Paul Christen, Chairman
