

Web Site Committee Annual Report February 16, 2010

Committee Members:

Arnie Dickinson, Chairman
Roger Clark
Bob Burgi
Paul Schmeil

Meeting Schedule:

Once per year, + Email and + as-needed meetings of all or part of the members for review of Web documents and training.

Goals:

Short Term:

- Recruit 2 - 4 more members
- Train new members as Web masters

Long Term:

Currently our HOA web site earns a three star rating. Our goal is to achieve at least 35 points for a "WOW" rating.

Current Activity:

Paul has added Governing documents, Budget Documents, Wireless Information, Newsletters, Calendars, and Documents approved at the January 16 Board meeting, raising our HOA Web site rating to a 3 star rating.

Roger handles Ads, Arnie has been updating various pages as changes occur (if he is notified) and adding pages as requested, and Bob will fill in on Ads during the summer.

Web Site Names:

- GVRV.US, GoldenVistaResort.com, GoldenVistaRV.com, & GoldenVistaRVResort.Com all go the Home page for the Resort.
- GV7.Info goes to page that was developed to have the Channel 7 info and updated by the Activity office.
- GVComputerClub.com goes to Computer Club home page. The name costs \$9/year and is paid for by the Computer Club.

Traffic to the Web Site: 751,462 Requests in the last 10 months, January received 145,349 requests.

Cost to the Association: \$165.89 to Go Daddy for domain rental.

Web Site Size:

Go Daddy has increased the available space from 10,000 to 100,000 MB allowed under our current plan. We have 7,439 Files occupying over 470 MB or less than ½ of 1 percent. Therefore, we have lots of space for more web pages/information.
