Annual Report to the Membership

It is my pleasure to submit to the Membership and the Board of Directors the annual report for the period of February 15, 2010 to February 15, 2011..

Members of the Committee:

Frank Thayer (#25)                      Keith Adams (#563)  
LeAnn Lindeman (#35)                John Falk (#804)  
Wanda Alsup (#137) Chairperson  
Board Liaison, Paul Schmeil

We are a standing committee appointed by the present Board and serve at its pleasure.

We are charged with assisting the Board of Directors in keeping the governing documents of the association up to date. The duties include reviewing all amendments for appropriateness, placement and language. We assist the Board in making proposed revisions and amendments to those documents and to advise the Board on matters of document implementation.

New document booklets were printed this last summer and are being handed out to members as they check in at the office. If you have not received a copy please ask for one. We are proud of our new booklet. We printed 1500 copies; at a cost of \$7364.25. We use a printing company that employees handicapped individuals; therefore this company does not have to charge us a Use Tax, thus providing a substantial savings. As a courtesy the front cover was printed with color at no extra charge.

Unfortunately, it has already been necessary to pass two new amendments to the Rules and Regulations which include: Amendment #1 which is a Dispute Resolution and #2 is the Smoking Policy. Copies are always available at the front office.

I want to acknowledge the support of the Board members, the Manager, office staff and other committees. I give special thanks for the work of the current committee members. They put in countless hours without complaint.

Wanda Alsup, Chairperson
