

**Memorial Committee Annual Report
To the Golden Vista Resort Board of Directors
February 2011**

The purpose of the memorial committee is to provide a means through our homeowner association to remember in loving memory the past residents who have contributed to the community that we live in here at Golden Vista Resort.

Monetary memorials need to be made at the front office of the Golden Vista Resort. These donations are used towards projects that will continue to perpetuate the quality of living we enjoy here in the park. Any items purchased are subject to review and approval by memorial committee members and the resort manager.

These memorials are acknowledged in the memory book that is located in the main lobby of the office complex. A memory page is created in honor of the resident as donations are received. If a memory page already exists it is then updated to reflect the current memorials. Letters of appreciation and acknowledgement are sent to the donors and family members.

The committee is a standing committee of the Board of Directors. The committee consists of 5 members plus a non-voting Board liaison member. We currently have 2 openings on the committee. If you feel this is an area you would be able to serve on in our resort community please contact Larry Martin, Resort Manager for more details.

The Memorial Committee Account financial report as of 2/1/2011 is attached. The work of the committee is currently up to date.

Members: Carol Mowery-430, Linda Soper-434, Evelyn Rush-558.
