

**STREET COMMITTEE
MINUTES
MARCH 31, 2011**

The Street Committee Meeting was called to order at 3:00 PM by Chair L. Gibson.

Attendees:

Leroy Gibson, Chair

Bob DeCorte, Acting Secretary

Pete Peterson

Joe Peters

Ed Hedges

Ginger Scobie, Board Liaison

After a thorough review of drawings and much discussion of the cross-street gutters on Iron Ore, a motion was made by P. Peterson that:

- 1) The alignment and gradient of the three cross-street gutters on Iron Ore must be maintained as is;
- 2) A 2 inch crown above the east gutter must be maintained on Iron Ore;
- 3) The cross-street gutters must be constructed of reinforced concrete; and
- 4) We recommend the cross-street gutters be a minimum of six feet wide.

The motion was seconded by J. Peters. Passage of the motion was unanimous.

A motion was made by E. Hedges to adjourn; it was seconded by P. Peterson. The meeting was adjourned at 3:52 PM.

Recorded and submitted by B. DeCorte, Acting Secretary
